The many roles of PAIC and its local coalitions...

PAIC (Pennsylvania Immunization Coalition) is PA's largest consortium which, together with its local coalitions and networks, promotes **science-based vaccine healthcare.** PAIC promotes safe, accessible immunization throughout the Commonwealth.

“PAIC is public health in action.”
– Lyn B. Robertson, DrPH, MSN, BSN, Pittsburgh

“You never outgrow the need for immunizations. Immunizations provide protection that even adults need - particularly older Pennsylvanians or those with chronic medical conditions - to help them stay as healthy as possible.”

– Dr. Rachel Levine, Secretary of Health for the Commonwealth of Pennsylvania and professor of Pediatrics and Psychiatry at the Penn State College of Medicine.
